Student Athlete Expectations

'It is better to be a lion for a day than a sheep for your entire life.'

Varsity Soccer and Basketball

Live With Character

- Respect your teammates and coaches by treating them in a way you like to be treated.
- Take responsibility for your actions which include your mistakes.
- Carry the heaviest weight you can manage.
- A lot will be expected of you. How you respond to these expectations will show who you are as a person.

Learn With Excellence

- Be on time. Timeliness shows a person who is devoted to their craft and a desire to be excellent at what they do.
- Show yourself as a person who believes every drill, sprint, training session is an opportunity for you to grow at your sport, by being attentive to your coaches and teammates instructions.
- Your grades matter. A devotedness to learning in the classroom is as important as the field.

Love with the Hands of Jesus

- We are a team. Loving each other will drive our success as a team.
- Help each other up.
- Be a shoulder to cry or lean on.
- We will approach conflict within our team and on the field using the Matthew 18 Principle.
